Why the Brotherhood?

This is certainly the time for this question. The Brotherhood of Satan, as many of you know has been shrouded in secrecy and has existed as the Black Brotherhood or more simply.....The Brotherhood, within the cover of Darkness and the Shadows. We are the Dark Occult Underworld over which Satan resides. What is truly known about us is one thing. We are the oldest (since the founding of America, here in the States) with lineage directly to European sources of all existing Satanist Organizations. We care little if what we say here is taken at face value or not as we owe our Infernal Allegiance or Origin, to None but Satan whom we Freely Serve.

Why the Brotherhood?

Why would a Satanist Organization as secretive as the Brotherhood surface semi-publicly at this time?

The answer to this is simply stated as THE WISDOM OF SATANAS. There is a NEED in the Satanic overall movement in the U.S.A. Take a real good look around at the Satanic Organizations and Individual Satanists out there in both the cyber world and the real world. They all want the glory of being the ONLY or MOST ELITE out there and they forget the first of all important Satanic Given Rights, freedom of choice and way of worship.

Yes, Chaos is important to the work of the Satanic Initiate but they must also learn to balance themselves with Order. Yes, Satanism is all for the INDIVIDUAL but in doing so we must RESPECT others of the Dark Arts that have earned our Mutual Respect. Then we bring Order and REAL organization into Satanism instead of bringing disruptions and Chaos.

Learning this Balance of the Satanic Initiate is not easy for most. It takes the Dark Disciple that has learned Satanic Discipline to become a Satanic Master and a Satanic Adept. We all must look at Satanism as Satanic Illuminati should, WITH ENLIGHTENED MINDS AND EYES. Take the infighting out of Satanism and Order is then restored. This is what the Master Satan really wants. When we restore Order in our own Satanic House, WE WILL THEN BE READY FOR SATANIC UNITY AND SATANIC BROTHERHOOD.

Why the Brotherhood?

The answer could not be clearer as to why we have resurfaced now at this time. We are here for the thousands of Satanists that are looking for us. We are here to actually GET SOMETHING DONE FOR SATANISM AS A WHOLE not just our own organization. We are here to ORGANIZE OFFLINE.

We are here because we are sick to our stomachs because WE SEE SATANISTS IN FIGHTS WITH EACH OTHER instead of being the ADVERSARY to those that have been building against us while we are in a TOTAL STATE OF DISORGANIZATION. Stop with the opinions about the other Satanists and Satanist Orgs out there and start to THINK AS SATANAS WILLS FOR US TO THINK!

Why the Brotherhood?

Because WE are not interested in who holds the power, WE will ALL hold the Power TOGETHER as UNITED SATANISTS. We will EACH then hold the torch as Satanic Illuminati, a True Individual Satanist of Power!

Why the Brotherhood?

Because the Master Satanus KNOWS that IT IS TIME.

Comments for our Friends from Existing Brotherhood Members.

“Why the brotherhood.....Why not the Brotherhood, if Satanas has brought you here then rest assured it is for a purpose indeed, nothing is just or ever a coincidence. The name alone speaks for itself (Brotherhood) unity and accomplishment in unity, because it is always easier with the guidance of others, once you have admitted that you don't know everything and open up your mind to the possibility of mastering your mind as well as yourself only then can you call yourself a master, the brotherhood holds more knowledge than any simple mind could endure or imagine. The gift that Satanas gives from his grace through the brotherhood could never be matched.

Ave Satanas

Ave the Brotherhood”

-Brother Ben

“The rituals for the most part I can summarize from personal experience. They are indeed the most authentic of their kind. And very Old in style and structure. They tap into a deep Demonic pulse that seems to be right below the surface. They do not in no way promote the doubt and difficulty of the more publicly consumed Rituals. Ones especially in the Grand Grimoire and other Goetic text. They are riddled with impunity and disrespect. And are damaging to the soul. As I have discovered this on my own when I was in the dabbling stage of Satanic researching. The Satanic Rituals of the Brotherhood are for the true believers. Those who dare and are fearless to the unseen forces that embody them so fantastically. I can also say that as I am just on the beginning path here.

I have discovered many unreal realities. And have yet to discover more than my mind can comprehend. The Satanic Rituals of the Brotherhood are electrically charged. And those who dabble or who are unworthy should treat these sacred dark rites as they would happen upon a chain link fence that reads....Danger - High Voltage. “

“I'm glad to say that I finally feel like I belong somewhere after joining this. I want to make friends and partake in the festivals and gatherings. I'm glad this is like a brotherhood. Hope to see you soon.”

“It's thanks to the Brotherhood members that are active in the forums that these types of debates are possible. I enjoy reading every post in the forums and I must say totally sincerely that is not something that happens often to me. There aren't other places like this one known to me on the internet and I've been quite a while now around cyber space looking around every place I've seen in relation to occult matters.

Thank You for your message, they all give me something to think about.

Rege Satanas!”

- Sister Initiate Patricia
