### **What can I as a Satanist do to help advance Satanism?**

This is a question that is often asked and the answer is best answered by a Brotherhood of Satan (referred to as The Brotherhood from this point on) member who has been around for awhile so here is the Brotherhood Satanism answer to the question:

No matter where Satanists meet around the world, we are known to meet in mostly small groups. **This is exactly the point, what is KNOWN about Satanism**, and certainly Brotherhood Satanism has been created to see to the needs of the many independent Satanists out there that have neither home nor allegiance. Brotherhood Offline Satanist groups may have a large membership with many Disciples that may come and go to our different Offline meetings. The Brotherhood we must remember would generally (not counting public fundraisers) choose to meet in the shadows away from the prying eyes of the public.

The Brotherhood also seeks to make itself the vehicle for a great many Satanists to organize and to have many offline events for them as well as assignments for those members that want to be active. We need quality state and (for outside of the USA) country representatives so that we can pick up many souls for Satan everywhere that are looking for the Brotherhood but do not know how to find us. The Brotherhood seeks qualified Satanic Clergy for positions of power in the Brotherhood.

### **WE SEEK NOT TO ENSLAVE BUT TO ASSIST IN FORGING MASTERS!**

If you are not a Master of yourself you will never be a Master to others. The Brotherhood **DOES NOT WANT A LACK OF COHESION AMONG SATANISTS**. The Brotherhood **WANTS A TRUE STABLE UNIT THAT STANDS TOGETHER**. We need to get Satanism back in balance and the Brotherhood shall be those strong enough and intelligent enough to do this.

### **What can you do?**

You can stand up and be somebody in your everyday life that can command respect from others around you even while they know you are a Satanist. We must learn to do this and still keep the secrets of Satanism secret as they were intended to be and only shared with those that deserve to learn them.

**YOUR EXAMPLE IN THE PUBLIC MATTERS GREATLY!** As well as the **EXAMPLE** you show to the Brotherhood.

There are a great many Satanists out there on the Net that will raise a holler about any attempt by Satanists that believe in Brotherhood and Unity to advance the cause of Satanism. Disregard them for this is NOT the Will of the Master. Satan on the contrary wants Satanists to come together in respect for one another.

### **IT IS WITH RESPECT WE CAN WORK TOGETHER AND ACTUALLY GET THINGS DONE ON AN ORGANIZED LEVEL.**

*Satan's Brotherhood shows that this can be done without a Satanist having to feel like they had to SELF-SACRIFICE a thing!*

**THIS DOES NOT RUN CONTRARY TO THE SATANIC LIFESTYLE OF INDULGENCE INSTEAD OF ABSTINENCE.**

As Brotherhood Satanists we must separate selfishness from true self-interest. It is those Satanists that are the enemies of advancing the cause of Satanism that are engaged in cowardly and abusive attacks in cyber space against with whom they do not agree, taking from them their Satanic given right to their own way of Indulgence.

It is MORE than just the survival of the strongest or fittest, it is the balance that the Satanist has with nature to know that self-sacrifice and cooperation are EQUALLY IMPORTANT to the very survival of Satanism and the cause of the deification of Satanists and the attainment of Satanic Unity.

**WE ARE SATANISTS OF THE TRUE BROTHERHOOD AND WE WILL LEAVE BEHIND A SATANIC LEGACY FOR THOSE WHO TRAVEL THE PATH AFTER US**

This can only be done by Satanists that strive to advance the cause of Satanism.

**IT STARTS WITHIN THE SOUL OF THE BROTHERHOOD SATANIST.**

The future powerful Satanists of The Brotherhood will be exceptional Satanists that may or may not be well known but they will be known by the Brotherhood as those that did their best to advance Satanism in their actions and everyday life. We will be those that are very rich with self-respect.

**TO REALLY HAVE WHAT IT TAKES FOR ADVANCING THE CAUSE OF SATANISM AND MORE SO IN BROTHERHOOD SATANISM, YOU MUST BASE ALL OF YOUR SATANIC RELATIONSHIPS ON MUTUAL TOLERANCE AND RESPECT.**

We must let society see that a Satanist is someone to be admired and can, contrary to popular belief, be someone that others look up to as an example regardless of the lies said about us by christianity.

**BY THE TOTAL REALIZATION OF THE BROTHERHOOD SATANIST** of the nature of their own **TRUE POTENTIAL** can they truly then advance Satanism and its cause.....

**THE DEIFICATION OF THE SATANIST INTO THE INCARNATION AND PERSONIFICATION OF A SATANIC MASTER STANDING UPON THE EARTH!**
