

Satanic Brotherhood, The Truth

While searching the World Wide Web the Master Councilor of the Brotherhood of Satan, came across an Article placed by a so-called Magister of a well known Satanic Church which made some very off base statements concerning Satanic Brotherhood. While I enjoy being an objective Satanist, I still give respect to other Satanists that see Satan as in any way that they individually see fit. This is **EVERY Satanists GIVEN RIGHT TO WORSHIP AS THEY WILL** and this article directly attacks this individual Satanic Right. What I see here is a very direct fear of those of us that **KNOW WISELY** that we can respect the opinions and views of other Satanists, thereby creating a Satanic movement and community based upon the principles of Brotherhood which are Mutual Respect and Understanding while Hailing each other as the Goddesses and Gods that we EACH as Satanists ARE.

The Brotherhood has been spoken and written about very far back into the Ancient Cultures of our Earth. It has been called by many names and it is the very first of the Mystery Schools ruled over by the Master Satan. We have all heard of the Brotherhood in Atlantis, Sumeria, Babylon, and even ancient Rome and Greece, where it was called the Brotherhood of the Pleroma. It was present in ancient Egypt under the Cult of the Black Serpent, Cult of the Black Ram, and Cult of the Jackal.

Before Christ was ever born, the Brotherhood had already existed for thousands of years so therefore the statement that **BROTHERHOOD** is a Christian concept is very laughable to say the least! It is merely just another thing that Christianity has **TRIED** to steal from us. If **THOSE WITHOUT** do not **SEE** this, they are simply blind to it. It is everywhere in their dying stagnate religion where they tried to steal even our own **SELF- RESPECT** as well as our unbroken Satanic Brotherhood lineage which we fondly like to call the Silver Cord or Underground Stream of the Brotherhood. For those Satanic Churches that are the true false-hood promoters against Satanic Unity, of course the Brotherhood and what it truly represents to Real Satanism are in opposition to their **OWN ELITIST VIEW** that **THEY** are the only legitimate Satanic Church!

You will **NOTICE** that these Satanists **ARE THEMSELVES USING THE CHRISTIAN TERM...CHURCH!** The Brotherhood of Satan is Satan's own corporation and organization. The Brotherhood has its own **CHURCH** or as we **REALLY** like to call it: Black Chapel and it is only called the **CHURCH of Baphometric Brotherhood** in our printed material and is the outer portal to the Ordo Templi Satanas and the Satanic Illuminati Council.

In short, that article is so far from the **TRUTH** that it does separate the Magister from the **Magister Magnus** or one who **REALLY** has the Knowledge and **HAS** done the **RESEARCH**.

DO NOT TAKE EVERYTHING YOU READ IN SATANISM AT FACE VALUE and you can better **DEFEND YOUR PERSONAL RIGHT AS A SATANIST TO WORSHIP SATAN AS YOU SO CHOOSE**. We will only grow in numbers **KNOWING** as we do **that IT IS THE WILL OF SATANAS THAT WE UNITE IN UNITY AND BROTHERHOOD** to better move forward towards the Masters Plan. The Brotherhood of Satan and the Satanic Illuminati are sworn to see this manifested as is the **WILL** of our **MASTER**. **WE** call all true Satanists to Arms! We are the Sword and Shield of the Brotherhood and our knowledge used with wisdom is our strength and our Power.

The law of the **STRONG**, this is our Law! The Children of Satanas that seek Satanic Unity and Satanic Brotherhood will **BECOME** the **PREDATOR NOT THE PREY** any longer! **WE CLAIM OUR INHERITANCE OF THE EARTH** while **SEEING** with **SECOND SIGHT** our Great Baphomet sitting upon His earthly throne!
